**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: claim 8, line 8, "to" has been deleted; line 9, "according" has been changed to ---accordingly---.

2. The following is an examiner's statement of reasons for allowance: the prior art does not teach or suggest an electronic ballast to regulate power to a load wherein a feedback system deriving an average feedback signal from current consumed by the load combined with a voltage feedback signal from voltage impressed on the load, the feedback system combines, by addition, the current and voltage feedback signals to provide the composite feedback signal to a feedback terminal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Vu whose telephone number is (571) 272-1831. The examiner can normally be reached on M-F 8am-430pm.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
